

## Return-On-Investment Table-Co2 Laser

### Assumptions:

- The average prices are based on the typical range in Texas for CO2 laser treatments.
- 26 working days per month (6 days per week).
- Each treatment's daily session count is assumed based on average demand for the services.

Service	Avg. Price per Session	Daily Sessions	Monthly Sessions	Monthly Revenue	Yearly Revenue
Skin Rejuvenation	\$350	3	78	\$27,300	\$327,600
